The Honorable William J. Casey  
Director  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Mr. Casey:

For many years, civilian officials of various Government departments and agencies have attended the Naval War College. Civilian participation in the curriculum has proven mutually beneficial to the individual student, the parent organization and the Naval War College.

In continuation of past practice, I take pleasure in extending to you a cordial invitation to nominate two representatives to attend the senior resident college, College of Naval Warfare, and one representative to attend the junior resident college, College of Naval Command and Staff, during academic year 1985-1986.

Candidates for the College of Naval Warfare should be in grade level GS-13 to GS-15. Your candidate for the College of Naval Command and Staff should be in grade level GS-11 to GS-13. All candidates should have a baccalaureate degree and exceptional potential for advancement. The average age of College of Naval Warfare students is 42. College of Naval Command and Staff student average age is 36. Descriptions of the courses are enclosed.

All U. S. students at the Naval War College will receive classified material up to and including Top Secret. Your prospective students should ensure that an expanded scope background investigation has been completed within the past four years or that one is initiated immediately after being informed of acceptance for attendance at the Naval War College. Certification of security investigations completed and clearances held should be included in your students' orders.

Your prospective students should arrive at the Naval War College in time to attend a Navy familiarization session on August 7, 1985. Classes will graduate on June 20, 1986.

Please advise the President, Naval War College, Newport, Rhode Island 02841-5010, with a copy to the Chief of Naval Operations (OP-114), Washington, D. C. 20350-2000, of your intentions regarding participation prior to April 30, 1985.

Sincerely,

*James F. Goodrich*  
James F. Goodrich  
Acting Secretary of the Navy
